Please see the attached order form to prepay. Prepaying lunch is encouraged as you'll save money and not have to worry about forgetting or misplacing your weekly order. If you prefer to order weekly, order forms will come out via Jupiter and will be due the Tuesday prior so we can order adequate supplies. Questions? Contact the office (secretary@trinitylombard.org or 630-629-8765).

Sorry, but due to health reasons, hot lunches cannot be saved for a later time. We cannot refund money or apply that money to future lunch days when a student is absent. If your child no longer wishes to receive hot lunch a refund can be given with a two week notice of cancellation.
